<b>Topic :</b>	Orientation of MBAIII, MCAIII, MCAV
<b>Date of event :</b>	August 1 , 2011
<b>Description of the Event :</b>	An orientation programme was organized for the students of MBAIII, MCAIII, and MCAV in the lecture theatre, so as to reorient them according to the environment of the college and introduce them to changes in the rules and regulations regarding academics and other departmental functioning.
<b>Event Report in brief:</b>	<p>The first day of the month of August was planned in advance and as planned it was meant for the reorientation of senior students with their college life after a gap of two months. These two months were those, when they got a glimpse of corporate lives, culture and developed an understanding of what industry wants and expects out of them.</p> <p>After all the students assembled in the lecture theatre, they were addressed by Director General RDIAS- Col. Mahander Singh, Dean Academics, HOD - MBA, MCA and Dean Students Welfare. The students were reminded about different issues such as discipline, academic calendar, summer internship project deadlines, student exchange programmes, subject duties and responsibilities, mentorship programmes and much more. They were also encouraged to participate in extracurricular activities for their personality development.</p> <p>All said and done, it is said that a smile is a universal welcome and this occasion saw both faculty and students adorning the same. After the programme one could sense that the students were geared up for the coming semester.</p>
