### Proposed : Women Cell

<b>Topic :</b>	Short Skit Competition on "Social Message related to Women"
<b>Date of Event:</b>	27 <sup>th</sup> September' 2010
<b>Faculty Organizer:</b>	Ms. Surabhi Deshpande
<b>Description of the Event:</b>	<p>"If you educate a man you educate an individual and if you educate a woman you educate the whole family" -Mahatma Gandhi</p> <p>Social responsibility of a human being is to provide a healthy living environment to one and all. We need to ensure that development is equal for both the genders; there should not be any discrimination amongst the two. Still there have been many cases which portray a very pity situation of today's women.</p> <p>To inculcate the sense of social responsibility towards the enlistment of women in our students, Women Cell, RDIAS organized a Short Skit Competition for MBA and MCA which had the theme- "Social message related to issues faced by the present Women like – Women Empowerment, Status of Women, Girl Child, Dowry Issues, Work Life Balance, etc".</p> <p>Students showed great enthusiasm and came up with very innovative themes. On one hand a team presented on Women harassment at work place, another team took up a real life example related to save girl child. Other themes were Women life from black &amp; white to color and Girl Education.</p> <p>Therefore, today's generation must take initiatives and work towards providing social and emotional empowerment to every women.</p>
