Topic :	Diwali Celebration at RDIAS

Description of the Event :	<p>It is quite a task to contain the verve and energy of students! RDIAS organized two beautiful events, keeping in mind the same.....Read on!!!!</p> <p><u>“Say No To Crackers Campaign ”</u>-An initiative by Social Club RDIAS</p> <p>In recent years there has been criticism about excessive use of firecrackers, especially during the Hindu festival of Deepavali. The most commonly cited reasons are noise and air pollution caused by firecrackers coupled with smog which certainly is harmful to inhale and can cause difficulty for drivers because of reduced visibility. It would be a shame if this generation of educated and responsible citizens would have a role to play in further degeneration of the environment.</p> <p>Recently there have been several governmental and legal efforts in India to combat the problem. Keeping in pace with its tradition, RDIAS organized “Say no to crackers Campaign” before a week of Deepavali. The event saw the students participating with a spirit of unity.</p>

Event Report in brief:	<p>RDIAS students participated in supporting the cause and spreading awareness about the same by delivering speeches, preparing posters and presenting short skits. The message we all want to put forth is that let's all get together and take responsibility for our world. It is we who can improve the environment and make it a beautiful and better place to live in.</p> <p style="text-align: center;">CRACKERS ARE OF NO USE, THEY ARE JUST ENVIRONMENT ABUSE. JAB DIPO SE HO SAKTA HAI UJIYARA, TOH KYU LETE HAI HUM PATAKHO KA SAHARA? Happy Deepavali to all!</p> <p><u>Rangoli Making</u></p> <p>Rangoli symbolizes joy and happiness which is expressed in the form of colours. RDIAS students participated enthusiastically in the Rangoli Making Competition.</p> <p>Beautiful, Vibrant, Dreamy expression of colours and flowers were created by the students, which was further accentuated with beautiful earthen diyaswhat other way to internalize the beauty of this festival!</p>
