

### Workshop of MSME on Preparation of Cosmetic Cream

Topic :	Preparation of Cosmetic Cream
Date of event :	August 30, 2011
Aim of the Event	<p>This session was organized for the students of MBA to acquaint them with the technique of preparation of Cosmetic Cream. The session was taken by Mr. Rajesh Shukla from MSME, Ministry of Industry Government of India. The aim of the event was as follows:</p> <ul style="list-style-type: none"><li>✓ To give the demo of Preparation of Cosmetic Cream.</li><li>✓ To explain the exact chemical composition of Cosmetic Cream.</li></ul>
Description of the event	<p>The speakers for the session started by demonstrating the preparation of the Cosmetic Cream which undergoes the following three steps:</p> <p>STEP-I: - First of all the following material is gathered.</p> <ul style="list-style-type: none"><li>✓ Bees Wax - 30 gm</li><li>✓ EWF - 30 gm</li><li>✓ Cytocetile alcohol - 20 gm</li><li>✓ Cytile alcohol -20 gm</li><li>✓ Light liquid parathene (LLP)- 20 gm</li><li>✓ Parathene wax -10 gm</li><li>✓ Staric acid - 10 gm</li></ul>

Mix all the above ingredients and heat them.

STEP -II :- Next step includes the mixing of following material:-

- ✓ Distilled water -520 gm
- ✓ SLS powder - 1 gm
- ✓ PPS -1 gm
- ✓ MPPS - 2 gm
- ✓ EOTA- 2 gm
- ✓ Glycerine - 50 gm
- ✓ Borex - 5 gm

After the mixing the whole material is heated.

STEP-III :- It includes the mixing of following oils:-

- ✓ Olive oil - 20 ml
- ✓ Almond oil - 20 ml
- ✓ Vitamin E oil - 10 ml
- ✓ Jojoba oil - 20 ml

Mix all the oils mentioned in step III. Add this to the mixture of step I and II thoroughly with the help of hand mixer. Then take a big utensil and heat water in it. After the heating of water, the bowl which contains the mixture is put in the water till the cream thickens. Last step is addition of perfume in the cream.

This whole workshop was highly informative for students as they learnt how a particular cosmetic product i.e cream is manufactured. Those students who want to create their own venture and enterprise can certainly take advantage of the knowledge they gained in this workshop.
