

## **Workshop on Entrepreneurship Development**

**Friday, 27th Feb, 2009**

The courses like MBA need some realistic experience on some vital topics. The main objective of the Workshop was to encourage the development and expansion of innovative skills so that students could undertake entrepreneurial activities in their professional life.

**The workshop was divided into two sessions.**

The topics of the discussion in the first sessions were Venture Capital Fund, and Venture Capital Financing Schemes. Dr. Taneja started the session with the introduction of Venture Funds and the type of activities covered under Venture Financing. He also discussed Seed Capital, Introduction Capital and Expansion Stage Fund Requirements etc. In the second session the topic was, why Entrepreneurship? It covered the motivating features for the student entrepreneurs. The discussion was based on traits of entrepreneurs and innovative and creative skills required of the successful entrepreneurs.

Lastly, Mr. H.L.N. Murthy delivered the Vote of thanks on behalf of institute the benefited students. He appreciated certain significant points of the workshop as well.
