

Faculty Development Program

Topic :	“Faculty development Program on Positive Attitude at Workplace”
Date of event :	31st July 2010
Profile of guest faculty :	The session was conducted by Mr. Kumar Archit, HR Manager, NCR Corporation.
Description of the Event:	<ul style="list-style-type: none">• A positive attitude at workplace can help us enjoy our work more and achieve our workplace or business related goals more easily and faster.• Mr. Kumar Archit gave examples of a painting and a sculpture wherein the responsibility of the beauty of the piece lies with the artist and not anyone else. Similarly we are the creators and controllers of our own destiny.• He emphasized that to be a positive thinker in all situations we need to improve in three areas: Thinking, Behavior and Attitude. With positive attitude we can change ourselves rather than changing the entire world. <p>“One tree makes one lakh matchsticks but one matchstick can burn one lakh trees.”</p>
