

COLLAGE MAKING COMPETITION

Topic :	Collage Making Competition
Date of event :	20 th -23 rd September,2010
Description of the Event :	Collage making is a very interesting branch of art in which the poster is made by pasting the unused /discarded pieces of papers/magazines with the help of gum on paper. Literary club organized this event keeping in mind that a literate and cultured student is an amalgamation of information as well as expression. Students of MBA and MCA were exposed to this event keeping in mind this very same fact.
Event Report in brief:	<p>The topic given to students for making a collage was – “Relationships” because we believe that relationships are our lifeline. We cannot live in this world alone.....like islands. There could be umpteen forms of this one theme as each one of us would have our own manifestation for the same.</p> <p>Students bought together on paper their thoughts about togetherness...varying form friendship to family. The winner in this category was Ms. Ruchi Mittal, student of MBA III who made a collage on the theme of “Friendship”. Second spot in this category was bagged by Ms. Shrishti Nayyar, student of MBA III, who had come up with an interesting collage on the theme of “Indo –Pak Relations”.</p> <p>We at RDIAS feel that if students are given enough chance to explore and experiment, they come up with ideas which simply take your breath away!</p>
