- High Grading 81.7% by Joint Assessment Committee of GGSIPU & DHE, Govt. of NCT of Delhi.

Member of AMDISA. Member of AIMA

An ISO 9001 : 2008 Certified Institute

“Online Test On Aptitude, Logic and Reasoning”

Topic :	Online Test on Aptitude, Logic and Reasoning
Date of event :	11 March, 2011
Aim of the Event	At RDIAS we firmly believe in upgrading analytical skills in students by conducting various activities. One of these activities was student’s online test on aptitude, logic and reasoning, for the students of MCA II Semester. This was planned keeping in mind, the recruitment procedure followed by most companies of repute.
Event Description:	<p>An aptitude is an innate, acquired, learned or developed component of a competency to do a certain kind of work at a certain level. The innate nature of aptitude is in contrast to achievement, which represents knowledge or ability that is gained. Online test on aptitude was conducted to judge the aptitude of students.</p> <p>There is a severe need for practice in solving objective tests, since recruitment process of companies which visit the campus, call for a technical round consisting of tests of this nature, the score of which is used for preliminary screening of students. Keeping this in mind, online tests on aptitude, logic and reasoning were conducted in the form of multiple choice questions.</p> <p>The motive behind conducting online tests in logic and reasoning was to improve their quick thinking and immediate implementation. Students are able to judge their status on the basis of score achieved by them in the test. The effect is positive as the result of test is immediately visible to the students. RDIAS constantly sets standards for itself and makes sure that</p>

	those are met with a great degree of precision and care.
