

### "Mock Interview Session -MBA III Semester (Finance Specialization)"

<b>Topic :</b>	Mock Interview Session for students of MBA III Semester, specializing in Finance
<b>Date of event :</b>	August 11, 2011
<b>Aim of the Event</b>	Interviewing skills are a lot written and heard about. Yet they need to be practiced and understood to be mastered. The aim of this session was to acclimatize the students with the expectations of the industry in terms of knowledge acumen, inter personal skills and personality traits.
<b>Description of the event</b>	<p>The interview was taken by the faculty specializing in finance. Students were tested when questions ranging from exchange rates, balance of payments, capital structure, dividend, taxation and recent global trends were put to them.</p> <p>Students were evaluated on parameters like knowledge level, understanding of subject, confidence, communication skills, attitude, body language etc. The main idea behind this session was to help the students' visualize their career path and instill in them a strong sense of direction and focus related to their work.</p> <p>It is noteworthy that the students were also given individual feedback related to their performance in the interview. It is rightly said that knowledge grows when it is shared and discussed. The interview session also proved to be an interface between faculty and students wherein various issues and events relating to financial markets were discussed.</p>
