

### "Mock Interview Session"

<b>Topic :</b>	Mock Interview Session
<b>Date of event :</b>	September 02 , 2011
<b>Aim of the Event</b>	<p>An interview is an important screening tool for companies. As with many situations, preparation is the key to success. The job market is very competitive and a candidate probably will not be the only qualified candidate for a position. The deciding factor may simply be the way you present your skills, intelligence and qualifications relevant to the position.</p> <p>Believing in all-round development of our students, RDIAS arranged a session on mock interviews for the students of MCA V in order to evaluate their knowledge and skills on the concepts of DBMS.</p>
<b>Description of the event</b>	<p>The interviews were taken by panel members, the panel consisting of expert faculty members. In the session, students were questioned on the topic related to the DBMS backend. The panel evaluated the student's on the parameters of knowledge, query handling, confidence, communication skills, attitude, body language etc. The main Purpose of the mock interview was:</p> <ul style="list-style-type: none"><li>✓ To simulate actual interview conditions in order to provide a more comfortable interview experience.</li><li>✓ To provide feedback that will aid in assessing current strengths and weaknesses in regard to interviewing skills and to prepare them for their final placement along with their overall development.</li></ul>

	<p>Students displayed great interest in the mock interview session and found it very useful for their career development.</p>
