“Session on Presentations”

Topic :	Session on Presentations for students of MCA I
Date of event :	October 3, 2011
Aim of the Event	<p>Presentation combines both visual and verbal elements. It is the way we "exhibit" our message on paper. Presentation skills are extremely essential to succeed professionally. It is no longer enough for you to have the necessary capability to do the job, you should also be able to talk well, write well, and present yourself attractively to your superiors. The best way to let other people know what you're capable of is by presenting a great idea or a plan during a meeting. However, you need to have the necessary presentation skills to succeed in this endeavor.</p> <p>The main purpose of the presentation is actually communicating to the audience and so lots of importance is given to effective communication and body language.</p> <p>The presenter should prepare an in-depth and comprehensive study of the topic he / she is assigned and present it in an intelligent and confident manner. It is only then that people can say that you are really indeed, a great worker or business owner.`</p>
Description of the event:	<p>Regarding presentations, students were judged on following parameters:</p> <ul style="list-style-type: none">• Pronunciation• Vocabulary• Communication Skills

- Contents
- Body Language
- Physical Appearance
- Timings

8 students had given presentations on current IT topics. Topics of presentations were:

- Wi-Fi
- Virtual Reality
- Blue Tooth
- Monitors
- Gesture Recognition
- Optical Fibre
- 4G
- CDMA

After student's presentation, feedback was given to them by their fellow mates and faculty member to further enhance their skills.

This activity helped students to understand the importance of presentations and to develop the relevant skills to enhance their capability to succeed in life.
