<b>Aim of the Activity</b>	<p>Managerial Skills Development aims at building students' personality. This set of character includes his attitudes, interests, behavioral patterns, social roles, emotional responses, decision making, steering the organization towards common objectives and much more!</p> <p>To a large extent the survival and continued success of any business depends upon owners and managers having a combination of leadership and good judgment based on knowledge and information and a reasonable ability to steer the business in the right direction. That's wherein the importance of Managerial Skills Development comes in.</p>
<b>Description of the event</b>	<p>The first session of MSD was an introduction session. Students' were informed about the subject and its focus towards building their personality. An icebreaking activity was conducted wherein the students had to describe themselves, their personality in one word. Group Discussion and its do's and don'ts were shared with the aim to :</p> <ul style="list-style-type: none"> <li>• Sharpen the communication skills</li> <li>• Develop public speaking ability</li> <li>• Build confidence</li> <li>• Develop overall personality</li> </ul> <p>The activity was primarily designed to groom the overall personality of the students to do well in the placement rides in campus and off campus. All the students participated with great interest and enthusiasm to give feedback to peers. It is hoped that the students recognize the worth of all the efforts being put in for their future and that they develop upon the areas in which they need improvement.</p>
