Session on Presentations

Topic :	Session on Presentations for students of MCA II
Date of event :	January 23, 2012
Aim of the Event	<p>As we are aware that in recent years it has become a common practice for employers to ask job applicants to deliver presentations as a part of the evaluation procedure, it is important that the students show efficiency in their delivery. The presentation skills do not include only communication skill and confidence but also good contents and creativity in the presentation prepared in order to bind the audience.</p> <p>These presentations help in judging the candidates' abilities in terms of knowledge and delivery of the same. These sessions also build up their confidence level and enhance their communication skills.</p>
Description of the event:	<p>Three students had given presentations on current IT topics. Topics of presentations were:</p> <ul style="list-style-type: none">• Neural Networks and Applications• Mobile Networking• Data Mining and Data Warehousing <p>Regarding presentations, students were judged on following parameters: Knowledge, Communication Skills, Content quality and Body Language & Physical Appearance.</p>

	<p>Students' presented the topic for 20 minutes in groups of two. After the presentation the instructor told the students of their strength and also of the areas which need improvement.</p>
