“Tree Plantation” - A Social Club Activity

Topic :	“Tree Plantation in Monsoon” at Rashtriya Virjanand Andh Kanya Vidhalaya(Girl’s Blind School), Vikaspuri
Date of event :	August 12, 2011
Aim of the Event:	This initiative by RDIAS was a part of Corporate Social Responsibility which is a moral obligation to do good and give back to the society and ecology in our own way. At RDIAS, we resorted to tree plantation which is a noble act and also benefits a number of domains of the society. The importance of having a well maintained ecology is well known and it also helps in the flow of positive energy in the surroundings.
Description of the event :	As a member of Social Eco club, RDIAS contributed in this movement by planting 25 saplings in the premises of the above mentioned blind school. “Enlighten the lives of the blind with fresher and

greener surroundings."

Students from RDIAS, accompanied by faculty members participated in this activity and also interacted with the management of the school. They encouraged this noble thought and thanked all for their contribution in the same.
